3. At the **Create a New Account** screen you will create a username and password. This will allow you to access secure online services. A separate account is required for each child.

Choose a User ID. The user ID is unique for each child. If you have more than one child, you must create a new user ID for each child. It must be between 5 and 15 characters, and consist of only letters, numbers, @ or _. Please use NO spaces.

Email Address: This is a unique email address for each child. Please enter in the following format. [firstname.lastnameDDMMYYYY@panw.local](#) This will not be a working email address. It links your child to their account.

Alternate Notification Email: Important! Please enter the parents active email address and check the box. This will allow Pediatric Associates of the Northwest to send secure messages to the parent. All information regarding online services will be sent to this address.
